2. Posters should be mounted on assigned boards only. Locate your poster number in the author index of the meeting program. Your poster number will be posted on your board prior to set up.

3. **The poster board surface area is 4 feet high by 4 feet wide.** There will be 2 posters per side of each 4 foot x 8 foot poster board. Larger posters may not overlap another. Failure to show courtesy to fellow presenters may result in removal of a poster.
